Muhammad Bilal Arif
Web Developer

Kotlakhpat, Lahore Pakistan | +92-310-4024479 | bilalarif3739@gmail.com

http://www.linkedin.com/in/bilal-arif-144311215 | **Portfolio**: https://bilal-arif.vercel.app/

OBJECTIVE

Passionate Web Developer with a background in Computer Science and hands-on experience in building responsive, user-focused web applications. Skilled in **HTML5**, **CSS3**, **JavaScript**, **TypeScript** and modern front-end frameworks like **React.js**, **Next.js** along with styling tools such as **Bootstrap** and **Tailwind CSS**. While my programming skills are growing, I maintain a strong focus on writing clean, optimized code and delivering intuitive, high-performance solutions. Always eager to learn and adapt, I strive to contribute effectively to innovative and impactful digital experiences.

WORK EXPERIENCE

Associate Web Developer   **JUL 2025 – Present**

Develtro, Lahore

- Contributed to a **SaaS** task management app (similar to **Monday.com**), adding frontend features and **API integrations**.
- Gained hands-on experience with **React.js**, **Next.js, Typescript** and **Tailwind CSS**, applying them in real-world projects and expanding technical expertise.
- Built and collaborated on multiple **dynamic websites**, ensuring responsiveness and user-friendly design.
- Assisted in complex project development, learning advanced workflows and best practices from senior developers.

Web Development Intern   **MAR 2025 – JUN 2025**

Commerce Kind, Lahore

- Developed the Commerce Kind website using **React.js** with a clean, **props-driven** component architecture
- Designed a global styling system using: root **CSS variables and nested CSS** for consistent **theming** and maintainability.
- Integrated **EmailJS** for handling contact form submissions with custom form styling and Embedded **Google Maps API** for location display and user accessibility.
- Implemented Lazy Loading and React Suspense to optimize performance and reduce initial load time.

EDUCATION

Lahore Garrison University, Lahore   **Dec 2021 – Feb 2025**
Bachelor of Computer Science **(3.2 CGPA)**

Punjab Group of Colleges, Lahore   **Mar 2018 – Feb 2020**
